

Ramakrishna Mission Vivekananda Educational and Research Institute, Belur Math (Deemed to be University as declared by MHRD, Government of India, under Section 3 of UGC Act, 1956)

Memorandum/Rules adopted by “Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI)”, established under the aegis of Ramakrishna Mission, with headquarters at Belur Math in the district of Howrah in the state of West Bengal, declared as an Institution Deemed to be University by the Ministry of Human Resource Development, Government of India, under Section 3 of UGC Act, 1956

These MoA/Rules have been suitably modified to align with the latest UGC [Institutions Deemed to be Universities] Regulations, 2023 in compliance with the UGC’s directive in this regard.

Special Note:

The Institution “**Ramakrishna Mission Vivekananda Educational and Research Institute** (abbreviated as ‘**RKMVERI**’ in the following write-up wherever needed)” declared by a Gazetted Notification by the Ministry of Human Resource Development, Government of India as an institution Deemed to be University [vide Notification No.F.9-54/2004-U.3 dated 5 January 2005] has been established under the aegis of and with the same registration as Ramakrishna Mission, the parent body/sponsoring society of the deemed to be University, which is a wellknown registered Society serving the country in the various service sectors including higher education for more than a century, registered on the 4th of May 1909, under the Societies Registration Act XXI of 1860, with registration no.1917/3 for 1909-10—revised according to West Bengal Act XXVI of 1961 as described below in detail.

The Institution Deemed to be University named ‘Ramakrishna Mission Vivekananda Educational and Research Institute’ came into existence under the aegis of and with the same Registration as Ramakrishna Mission [vide UGC letter D.O.No.F.6-41/2001 (CPP-I) dated 3 January 2002, read with subsequent UGC Notification No.F.6-1 (II)/2006 (CPP-I) dated 13 September 2006]. Even before the establishment of the Deemed to be University, Ramakrishna Mission had approached UGC with the request to waive off the clause requiring that the Deemed to be University should be a separate Registered Body, which was duly considered by the Commission at its 399 th meeting held on 1 November 2001. By letter Ref. D.O. No. F.6-41/2001 (CPP-I) dated 3 January 2002, the UGC granted such an exemption, as an exceptional case for Ramakrishna Mission (copy of this UGC letter is enclosed herewith for ready reference), stating inter alia, as follows: (Excerpts from this letter are quoted below).

“The Hon’ble Members, while deciding that no relaxation be made in the existing guidelines, also felt that due consideration may be given to the Institution’s request, such as that of Ramakrishna Mission. The Commission realized that in case of Ramakrishna Mission it shall be fair and just to allow the grace of having the same parent society to continue to look after the Institutions under deemed University as well. The Hon’ble Commission decided that such exemption may only be considered in exceptional cases and on individual merits alone. It was

also decided to waive off this clause in the case of Ramakrishna Mission, P.O. Belur Math, dist. Howrah, West Bengal." A copy of the above letter Ref. D.O.No.F.6-41/2001 (CPP-I) dated 3 January 2002 from UGC is enclosed hereinbelow for ready reference.

Proposal for Vivekananda University Committee
Ramakrishna Mission
P.O. Belur Math
District Howrah
West Bengal - 711 202.

Dear Swami Mumukshananda Ji

In reference to your letter of December 18, 2001 addressed to the Chairman, University Grants Commission, New Delhi. The matter in question was placed before the Hon'ble Commission. The Commission considered your request at its 399th meeting held on November 1, 2001.

The Hon'ble Members while deciding that no relaxation be made in the existing guidelines also felt that due consideration may be given to the institution's request, such as that of Ramakrishna Mission. The Commission realised that in case of Ramakrishna Mission it shall be fair and just to allow the grace of having the same parent society to continue to look after the institutions under Deemed University as well. The Hon'ble Commission decided that such exemption may only be considered in exceptional cases and on individual merits alone. It was also decided to waive off this clause in the case of Ramakrishna Mission, P.O. Belur Math, Dist. Howrah, West Bengal.

This is for your information.

With Regards

Yours sincerely,

(GURCHARAN SINGH)

Further, by letter No.F.6-1 (II)/2006 (CPP-I) dated 13 September 2006, the Commission reiterated its broader principle that the Commission reserves the right to give exemptions from the requirement of 'creation of separate and dedicated Trust/Society for managing the affairs of the Institute Deemed to be University', stating *inter alia* that such an exception could be given to such Trust/Societies which are mainly involved in charitable social services. A copy of the above letter Ref.No.F.6-1 (II)/2006 (CPP-I) dated 13 September 2006 from UGC is enclosed hereinbelow for ready reference.

(DEEMED TO BE UNIVERSITY - REGARDING)

The present provision under the guidelines for deemed universities requires the creation of a separate society or trust by institutions seeking the deemed to be university status. The UGC recognizes the need to ensure that the future of students and faculty, and the necessity for maintaining the standards of higher and technical education and, therefore, requires that neither the higher educational activities of the promoter society or trust should be diluted nor the resources committed for the purpose be diverted to other activities of the promoters. The UGC also feels that if the non-education related activities of the promoting trusts / societies are in the nature of commercial activities, there is every danger that the non-profit intent of higher educational activities may suffer.

2. In view of this, the UGC has decided that ordinarily the existing guidelines of the UGC requiring the creation of separate and dedicated trust or society for managing the affairs of the institutions deemed to be university must be complied with by the applicants. However, the Commission reserves the right to give exemptions from this requirement, after satisfying itself that (a) the management of the society / trust promoting the institution is the same as the management of the institution (b) that a separate and distinct financial accounts are maintained by the institution in respect of its functioning as a deemed to be university (c) that such accounts are open to audit / inspection of the UGC or any other appropriate agency to satisfy that there is no diversion of funds or revenues from the activities of the deemed to be university (d) that such a society or trust has, apart from educational activities, only those activities which are related to social sectors such as health and in any case there are no commercial activities of a profit making nature. (e) In case the promoter is not in a position to form a separate society or trust, because of the transfer costs involved (such as on stamp duty etc.), it must divest itself of any other activities, which are not of a social-work nature or which do not relate to any sector of education (f) the promoter society / trust must give a legally valid undertaking to the UGC that the assets including land / building etc., as well as those which are movable, are clearly earmarked and entered into appropriate asset registers, which are earmarked for the activities of the deemed university, and no diversion of such assets shall take place without the prior approval of the Commission and only for furthering the interests of the deemed to be university. Such an undertaking must also include the assurance that in the unlikely event of the termination of the activities of the deemed to be university or the winding up of the institution, the UGC can take control of such assets to decide the manner in which the same could be utilized for protecting the interests of students / faculty and employees of the deemed to be university, and (h) that such an exemption could be given to such trusts / societies which are mainly involved in charitable social services.

3. As regards issues relating to institutions of deemed to be university for including any existing institutions under the ambit of an existing deemed university as constituent units, the principles laid down in Circular/Letter No.F.6-1(II)/2006 (CPP-I) dated 15th July, 2006 would need to be followed in respect of institutions offering general courses with the additional conditions as :- (a) that the management of the deemed to be university, as well as that of the institutions which is to be included as a constituent unit must be the same, in other words such a facility should not give rise to commercializing of higher education through franchises. (b) that the assets of institutions to be included as a constituent unit must come under the total control of the existing deemed to be university so that the future of students, faculty, employees and the interests of standards of higher education can be fully protected. (c) that each institution offering any general course and desirous of being included under the ambit of an existing deemed to be university, must be validly affiliated to a statutorily established university recognized under Section 2(f) of the UGC Act, 1956 and the affiliating university should be willing to examine and confer degrees or other awards on students already enrolled with the institution seeking to become a constituent unit on the date of notification of its inclusion under the ambit of the deemed to be university.

4 Objectives of the Institution Deemed to be University

The objectives for which the Institution Deemed to be University named 'Ramakrishna Mission Vivekananda Educational and Research Institute' has been established by Ramakrishna Mission are derived essentially from the educational objectives of the Ramakrishna Mission itself, under whose aegis and with the same registration the Institute Deemed to be University has been started, which is to actualize Swami Vivekananda's educational vision of 'man making' and 'character building' to produce not only knowledgeable and efficient educated youth, but possessing impeccable character strength endowed with all round personalities with harmonious development of heart, head and hand—the emotional, intellectual and practical faculties inherent in a person—through imparting holistic education and training that would integrate and synthesize the best elements of the East and West as envisioned by Swami Vivekananda. Being under the aegis of Ramakrishna Mission, a worldwide spiritual and philanthropic movement silently serving in various spheres all over the globe for over a century, the Institute Deemed to be University, RKMVERI, is a vibrant educational *movement* rather than merely an academic institution, so that the students educated and trained in it are not merely be academicians and scholars, however brilliant, but participants in the enormous task of nation building—*rebuilding a rejuvenated and vibrant new India through building of immaculately pure individual character*, cast in the mould of harmony and synthesis of knowledge, love and work— head, heart and hand: "brains to conceive, heart to feel and hands to work" in Swami Vivekananda's own words.

More specifically, therefore, some of the objectives of the Institute deemed to be University are to:

- 4.1 Provide for higher education leading to excellence and innovations in such branches of knowledge as may be deemed fit, primarily at undergraduate, post-graduate, and research degree levels, fully conforming to the concept of a University;

RKMVERI has been the pioneer in creating online video self-study material (which can also be taught by a teacher) on Artificial Intelligence and Robotics in the vernacular, Bengali to start with, to be dubbed in other Indian languages gradually, at the school level (Classes 9,10,11,12) in tune with the NEP 2020 which emphasizes teaching-learning in the vernaculars.

It may be recalled in this connection that it was **Swami Vivekananda who inspired Sir Jamshedji Tata to start an Institute in India for fundamental science education and research** in India during their travel together in the same ship to Chicago in 1893. The result of this dialogue between these two great minds and great sons of India is the present 'Indian Institute of Science' at Bengaluru, which is the pride of Indian science, a globally acknowledged premier Institute devoted to research and education in fundamental sciences.

(5) Environmental Science and Disaster Management Studies, through **'School of Environment and Disaster Management'** located at Ramakrishna Mission Centre at Narendrapur, Kolkata, West Bengal, running M.Sc. and Ph.D. programmes in Environment and Disaster Management (with emphasis on climate change and human health issues). (6) Medical Biotechnology, Immunology, Microbiology, Medical Laboratory Technology, Critical Care Science and Technology and related fields through **'School of Biological Sciences'** located at Ramakrishna Mission Centre at Narendrapur, Kolkata, West Bengal, in collaboration with Ramakrishna Mission Seva Pratishthan (a reputed 600-bedded hospital in Kolkata almost 90 years old), running M.Sc. and Ph.D. programmes in the above fields. This field of Medical Biotechnology, which is becoming increasingly important on account of the Covid-19 pandemic, is now the focus of special attention of the University. The specialized interdisciplinary areas in this field which are emerging and exciting are: immunology, digital biology and bioinformatics, digital imaging in the medical field, etc.

As is well known, Swami Vivekananda wanted a harmonious blend of the *Sanatana Bharatiya Jnana Parampara* (Ancient Indian Knowledge Tradition, its spiritual wisdom and remarkable insights into the whole spectrum of human knowledge) with the modern scientific and technological as well as philosophical and mathematical knowledge of the Western world. RKMVERI Deemed to be University established in his hallowed name is striving to achieve this unique blend by setting up the Schools of Indian Heritage, Mathematical Sciences, Rehabilitation and Sports Sciences, Environment and Disaster Management, Agriculture and Rural Development and Biological Sciences.

In addition to the above, RKMVERI has stated the following Centres of interdisciplinary, trans-disciplinary study and research at the various school of the university offering academic programmes spread across the four campuses:

- i) Centre for Artificial Intelligence of Things (AIoT) and Mixed Reality (MR)
- ii) Centre for 'Number Theory, Dynamical Systems and Chaos'
- iii) Centre for 'One Health'
- iv) Centre for 'Humanitarian Studies and Humanistic Sciences'
- v) Centre for Consciousness Studies (CHATAK—Chaitanya Tattwa Anusandhan Kendra)
- vi) Centre for Study and Research on Veda-vedanta, Yoga (VYASA—Veda-vedanta Adhyayana-Samshodhana-Alaya).

To Institute Chair-Programmes with financial support from the Central and State Governments for promoting excellence in teaching and research (and to attract eminent scholars / researchers to share their expertise and knowledge) such as i) **'UNESCO Chair' in 'Inclusive Adapted Physical Education and Yoga,** ii) **'Swami Abhedananda Chair' in Indian**

philosophy, Sanskrit and other allied subjects iii) 'Swami Vivekananda Chair' in Environment and Disaster Management and other allied subjects.

The Chairholder, besides conducting serious research and teaching at the M.Phil./Ph.D. levels, will actively be involved in publications of books and journals. Two journals, one at the level of the research scholars and another at the level of undergraduate and postgraduate students, fully in Sanskrit, called *Prajnaloka* and *Pratibhaloka* respectively are published by the Department of Sanskrit and Philosophy under the School of Indian Heritage. One more journal called *Prajnanam* which is presently trilingual (Sanskrit, Bengali and English) caters to students of various Colleges and University students.

To promote research in the field of Biological Sciences, a new Research Centre called JIVAN has been started as described below.

JIVA-VIJNAN-ANWESHAN-NIKETAN (JIVAN)—Centre for Research in Biological Sciences is a research initiative of the School of Biological Sciences of RKMVERI Deemed University, in collaboration with Ramakrishna Mission Sevapratishthan (a 600-bed General Hospital nearly 90 years old located in Kolkata). The objective of this Research Centre JIVAN is to bring together biological scientists with vast research experience in laboratories of reputed Institutes and the medical doctors working in the field in order to create a synergy, taking on board eminent statisticians and computer scientists also to explore the fascinating emerging areas like the use of digital image analysis and artificial intelligence techniques in the medical field. The following **Five Working Groups** in the various important areas of Biological Sciences are actively engaged in working out the plans and programmes for research, teaching-training, extension services under **JIVAN**:

1. Microbiology
2. Cardiology & Metabolic Disorder
3. Hematology & Hemato-Oncology
4. Neuroscience
5. Medical Statistics and Digital Data Analytics

10. Governance

10.1. As stated at the very outset, RKMVERI, the Institution Deemed to be University was started under the aegis of and with the same Registration as Ramakrishna Mission [vide UGC letter D.O.No.F.6-41/2001 (CPP-I) dated 3 January 2002, read with subsequent UGC Notification No.F.6-1 (II)/2006 (CPP-I) dated 13 September 2006]. Ramakrishna Mission, the parent body/sponsoring society of the deemed to be University, which is a well-known registered Society serving the country in the various service sectors including higher education for more than a century, registered on the 4th of May 1909, under the Societies Registration Act XXI of 1860, with registration no.1917/3 for 1909-10—revised according to West Bengal Act XXVI of 1961, is a not-for profit society. Even before the establishment of the deemed to be University, Ramakrishna Mission had approached UGC with the request to waive off the clause requiring that the Deemed to be University should be a separate Registered Body, and this request was duly considered by the UGC at its 339th meeting held on 1 November 2001. By its letter Ref.D.O.No.F.6-41/2001 (CPP-I) dated 3 January 2002, the UGC granted such an exemption as an exceptional case in the case of Ramakrishna Mission. Excerpts from this letter are enclosed below.

“The Hon’ble Members while deciding that no relaxation be made in the existing guidelines also felt that due consideration may be given to the Institution’s request, such as that of Ramakrishna Mission. The Commission realised that in case of Ramakrishna Mission it shall be fair and just to allow the grace of having the same parent society to continue to look after the Institutions under deemed University as well. The Hon’ble Commission decided that such exemption may only be considered in exceptional cases and on individual merits alone. It was also decided to waive off this clause in the case of Ramakrishna Mission, P.O. Belur Math, dist. Howrah, West Bengal.” A copy of this letter has been enclosed hereinabove at the very outset.

Further, by letter No.F.6-1 (II)/2006 (CPP-I) dated 13 September 2006, the Commission reiterated its broader principle that the Commission reserves the right to give exemptions from the requirement of creation of separate and dedicated Trust/Society for managing the affairs of the Institute deemed to be University, stating inter alia that such an exception could be given to such Trust/Societies which are mainly involved in charitable social services. A copy of the above UGC Notification has been enclosed hereinabove at the very outset.
